News From The 87th Sertoma International

Conference, Norfolk, VA.

Julie Hejtmanek, from the Heartland Sertoma Club, Topeka, KS was elected Vice President of Sertoma International. **Congratulations Julie!!!** Carol More was elected to the office of President Elect. Elected as the Sertoma International Treasurer was Debby Larsen from the College City Sertoma Club Northfield Minnesota of the Great Plains Region. Our President for 2007-2008 is Woodrow "Woody" Hudson from Carrollton, GA. Woody's theme is **Listening To The Future.**

Julie Hejtmanek, VP & President Hudson

At the October 2006 Board meetings of Sertoma International and Sertoma Foundation, both bodies agreed to the establishment of a task force to evaluate a merger of the two entities. At the convention in Norfolk, three proposals were presented to merge the two separate organizations and provide a single tax exemption status to all Sertoma Clubs. All three Merger Resolutions passed which will consolidate Sertoma International and the Foundation into a new Sertoma corporation operating under one national 501(c)(3) public charity. A new name will be selected at a later date. In reaction to the Sertoma Awards committee removing the requirement to recruit a new member for the GEM award, a resolution was brought forwarded and passed to reinstate the requirement to recruit a new member in the GEM award.

A resolution to allow the continuation of the several Sertoma Serteen Clubs in Russia was debated and defeated.

Keynote Speaker Cynthia D'Amour, MBA

Author of several books including **How to Turn Generation Me into Active Members of Your Association** and **How to Recruit Generation Me**, Cynthia D'Amour spoke on **How to Turn "I Don't Have Time" into Service to Mankind!** Cynthia shared reasons why people join an organization and ideas on how we can connect with their interests. The reasons people join are varied but generally fall into these three areas:

- Personal / Professional Development
- Contribution to a greater good
- Community / Fun / Social Time

In recruiting new members, it is important to determine which of these hot buttons will peak their interest to join Sertoma.

2008 Convention will be Denver Colorado
