Junction City Sertoma Club Pancake Feed

The Junction City Sertoma Club had a successful pancake feed on Saturday October 20th at the Knights of Columbus Hall in downtown Junction City. This is an annual event and supported by the community.

A terrific pancake feed by the Junction City Sertoma Club! They make a perfect pancake every time!

Let's Get Together!

There are several upcoming opportunities to get together and support your Sertoma friends.

Sertoma Luncheon Club of Manhattan Biscuits n Gravy and Garage Sale!

Another successful fundraiser was the Biscuits 'n Gravy and Garage Sale held by the Sertoma Luncheon Club of Manhattan.

Sound Proof Testing Booth at Fundraiser!

Everyone who attended the Biscuits 'n Gravy and Garage Sale also had an opportunity to have a free hearing screen. The club used the Sertoma hearing booth and the K State Audiology students to perform the screening tests. In addition, the club used a very appropriate placemat called "Noise and Your Ears: Worth Hearing About! The placemat has a crossword puzzle, a diagram of the ear, a chart showing when hearing protection is recommended and many more Noise Induced Hearing Loss messages. To inquire about getting these placemats you will need to contact NASA Acoustical Testing Laboratory at 216-433-3950.

Have you seen the Traveling Scroll?

It was reported that the scroll was delivered to Manhattan Evening club by several members of the Junction City Sertoma Club. Only one day later, (wow, some serious points gained there) it was delivered en masse to the Luncheon club. Again, only one day later, it was delivered to the Golden City Sertoma Club!
